

Passport Requirement Waiver

The US Transportation Security Administration (TSA) Secure Flight program and some foreign governments, require registration for each guest. Accordingly, we ask guests to please file passport copies with us before finalizing a reservation in order to expedite check-in, minimize errors on reservations, and to meet TSA compliance.

In case passport copies are not available at the time of reservation, **this requirement can be waived** at the time of ticketing. However, we ask each guest to please complete a signed waiver acknowledging liability of potential change fees levied by airlines.

Please keep in mind: Even with a signed waiver during the invoicing & ticketing process, the **TSA still requires each flier to register before departure**. If we will be issuing your airline tickets, please send passport copies to our offices at least 14 days prior to departure. For more information on the Secure Flight program, please visit <http://www.tsa.gov/stakeholders/secure-flight-program>

By signing this waiver, I understand airline change fees up to \$500 may apply for changes to names or gender which may need to be made on air tickets. I hereby release Super Value Tours, Inc. from liability for the following reservation(s):

1) Guest's Name

1) Guest's Date of Birth

2) Guest's Name

2) Guest's Date of Birth

3) Guest's Name

3) Guest's Date of Birth

(Printed Name of person responsible for reservation)

(Booking #)
